SEVEN STINGERS NAMED TO O-QIFC ALL-STAR TEAM

The Concordia Stingers, who tied the defending National champion McGill Redmen for fourth place, placed seven players on the conference all-star team. The Stingers came into this season with no returning all-stars and managed to place the most of any team in the conference.

THE CONCORDIA ALL-STARS

RON ABOUD: Multi-dimensional quarterback **Ron Aboud** [5'11-200; Montreal] had a banner season for the Stingers. **Aboud completed 57.5%** of his passes for **1313 yards** this year. He passed for **seven touchdowns** in his 7 games. Last year's O-QIFC "Rookie of the Year" also rushed for **375 yards and three touchdowns**. Aboud had **five 200-yard passing games** this season. He is currently a student in the faculty of Commerce.

MIRCO BUTH: **Mirco Buth** [6'5-220; Montreal] was an important part of the improved Stinger offensive attack this year. Buth finished the year with **29 receptions and 607 yards** in receiving. This was the **highest total** by a Stinger in **six years**. He attended the 1988 **Edmonton Eskimo** camp and will graduate in the faculty of Economics this year.

PATRICK YOSHY: Second year Stinger **Patrick Yoshi** [6'2-196; Montreal] gave Concordia an impressive 1-2 punch at the receiver position this year. He caught **27 passes for 375 yards**. The 23 year old Political Science student also scored **four touchdowns**. Yoshi will be a vital cog in the 1989 edition of the Stingers.

PAUL VAJDA: Sophomore **guard Paul Vajda** [6'2-262; Montreal] had an impressive season on the Stinger offensive line. Vajda anchored a line that provided quarterback Ron Aboud with great protection throughout the season. **The team's sack total was cut in half** and Vajda's play was a big reason. **Vajda**, one of four **Vanier** graduates on the offensive line, is in the faculty of Economics.

RICHARD McCRARY: Junior **offensive tackle Richard McCrary** [6'4-280; Montreal] is another member of the **Vanier** connection at Concordia. **McCrary's** play helped the Stingers stabilize their offensive attack. McCrary is a projected **1989 first round C.F.L. draft choice** and his play this year will warrant more attention by the scouts. He is the **strongest** member of the team [**450 lb. bench press**] and is a third year Exercise Science student.

MARTIN FERDAIS: Senior **linebacker Martin Ferdais** [6'2-228; Montreal] was an integral part of the improved Stinger defensive unit. **Ferdais** finished with **57 tackles** including **eight for losses**. He helped shut down the Bishop's Gaiters with **12 tackles** on October 15th. Ferdais has the strength [**400 lb bench press**] and speed [**4.7 in the 40**] to play in the C.F.L. **Captain** Ferdais is an Urban Studies student and will graduate this year.

STEPHANE CHAPADOS: Junior **cornerback Stephane Chapados** [5'11-190; Montreal] had a big year at the **cornerback** position this year. **Chapados** **led the conference in interceptions with five**. He also **led the nation with 143 yards in interception yardage**. Chapados chipped in with **35 tackles** and was the big play man on the Stinger defense this year. Chapados is a third year Political Science student.
